Exalting Christ in Churches

Dear Supporting Churches,

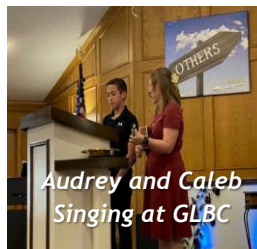

We hope that you all are having a great summer! We know that many of you have VBS programs and youth camps going on, and we pray that the Lord has blessed in those ministries.

We have been going to help wherever we can over the past few months. We recently spent a Wednesday night service in Rhome with Antioch Baptist Church while Bro. Heath was out of town, and we were able to meet three new people that have been visiting there. It is exciting to see the growth of the church plant. Bro. Roa was able to preach, and Mrs. Melissa played the piano.

We also have been going to Rockwall and to Allen when we are able in order to help them facilitate services.. Many of you know that Allen, TX, recently suffered a great tragedy. Please pray for the J. D. Leake family and Harvest Baptist Church as they try to minister to souls in that community.

Rockwall Baptist Church is in need of a pastor. Please pray for them and that God would lead them to the right person. They are a loving people in need of the right shepherd for their flock.

Just this past week, we were able to spend some time with Gospel Light Baptist Church in Roanoke, TX. They were holding a Bible Conference and had asked Bro. Roa to come and help with the song service and special music. The pastor and people there are very near and dear to our hearts. They were the first church that we partnered with in our ministry, just after COVID-19 had swept over many churches. It was wonderful to see the church thriving!

Things are moving forward with the church plant we have been planning with Pastor Tyler Gillit of Worth Baptist Church. Currently, we are in the process of locating and securing a building that will serve as a meeting place for the church plant. There is much happening "behind the scenes," even if it does not seem like it. We are very excited to be partnering with Worth Baptist Church on this and look forward to seeing the Lord's work.

Thank you so much for your prayers for us. We do drive around the DFW metroplex quite a bit and are so thankful for God's protection and provision for us.

If you would like more information, or would like us to come and present our ministry in your church, please contact us at tony@abcplanters.org or call Tony at 817-240-0518.
